Deputy Supervisor for Pipeline Construction (all genders)

Breuberg — Full time — Experienced professionals

What you bring with you:

- Experience in pipeline construction
- Some experience of managing small teams as a supervisor (desirable)
- Familiarity with technical drawings (including isometric)
- Willingness to work on site (within a 50-kilometre radius)/flexibility
- Ability to work independently
- Responsible and reliable
- Good German skills
- Valid driving licence (at least German Class B)

These are your tasks:

- Management of a team of five colleagues
- Measurement of pipelines
- Assembly of pipeline components
- Cutting to drawings (isometric) or sketches
- Compliance with safety at work
- Communication with the customer on site
- Coordination of multiple projects
- Construction site documentation

What we offer you:

- A varied role
- Work as part of an innovative team
- Friendly working environment
- Fair wages paid on time
- Plenty of opportunities to develop
- 40-hour working week
- 30 days of paid holiday
